

PRODUCT STEWARDSHIP

Desking Systems now offers a limited product stewardship service to our customers. Product stewardship is a concept which essentially closes the recycling loop, allowing products to be re-processed at the end of their life cycle.

Acceptable Products

Neo

Neo Freeplay

Neo Storage

Beyon

Beyon Storage

Conditions

All products must be delivered to our Kurnell facility at the customers expense

All furniture must be dismantled into component form

Only product supplied by Desking Systems will be accepted.

On behalf of Desking Systems

David J Hadley
